

# POLYETHYLENE WATER TANKS

PH: 800-348-7625 | FAX: 800-348-7629 | WWW.LAVANTURE.COM

These rotational molded fresh water tanks are made from a high quality durable F.D.A. approved polyethylene material. Their one piece construction, stain, corrosion and rust resistant features make them ideal for replacement or O.E.M. installation on campers, trailers and marine products, etc...

All models feature three 3/8" FMT fittings and one 1 1/4" fill barb. **EACH IS INDIVIDUALLY \*BOXED FOR LOWER UPS SHIPPING RATES.**

All models are in stock for immediate shipment. No Minimum Quantity.
