

INNOVATIVE PRODUCTS FOR CHALLENGING APPLICATIONS

MOLDED & EXTRUDED PLASTIC PRODUCTS

LEVANTURE
PRODUCTS
EST. 1969 CO.

For more than 50 years, LaVanture Products has listened to the needs of our customers. We have invested in our future to help build yours. From hands on product design to on-hand inventory, LaVanture strives to offer quality injection molded and extrusion parts.

We have purchased thousands of dies and molds over the years to be used in the RV, Marine, Utility Trailer, and Speciality Products markets. In addition, LaVanture has hand selected leading manufacturers to build and produce quality products with on-time delivery you have been accustomed to as a customer of LaVanture Products.

SINCE 1969

LaVanture Products Company has been providing the best total package of products and services to our customers for over 50 years. We invest in our future so we can continue to meet market demands and customer needs. When you select LaVanture Products, you provide your business with the LaVanture advantage:

- Quick & Personal Response
- Quality Products
- Continuous Innovation
- Competitive Pricing
- Courteous Service
- On time Delivery

Our Goals are Simple:

Distribute high quality products that meet customer needs at a fair price with on-time delivery.

Visit us on-line at www.lavanture.com for information on all of our quality products. Our catalogs are online and ready to view.

CUP HOLDERS

Drop-In Cup Holder is made of sturdy Polypropylene for R.V., van, pickup, campers, boats, card tables and a wide variety of other applications. Install almost anywhere, table, counter top, dashboard, etc. There is a generous cavity under the flange for caulking, allowing installation without fasteners, and stand off on the bottom to help prevent condensation build-up and keep containers from sticking. Available in a wide range of sizes and colors.

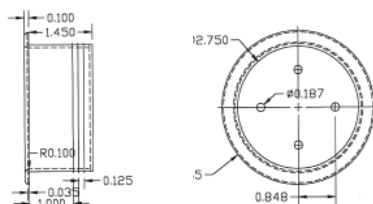

Adjustable Folding Cup and Can Holders secure drinks while the vehicle is moving. Cup and Can Holders open easily with one hand and fold away to less than one inch thick. Available in black, white and gray.

ADDITIONAL SIZES AND COLORS AVAILABLE UPON REQUEST

PLASTIC GROMMETS

Grommets are made from a tough yet flexible polypropylene material and come in sizes to cover all hole openings, for plumbing, gas and electrical lines.

PLASTIC FLANGES

Our Flanges are manufactured to the highest quality standards. These flanges are used to trim out rough-cut holes, adding a neat finished appearance, and stay in place without fastening.

LAVANTURE PRODUCTS

INNOVATIVE PRODUCTS FOR CHALLENGING APPLICATIONS

Since 1969 LaVanture Products Company has been providing customers with high quality products to meet the challenging applications of today's markets. LaVanture stocks and distributes a full line quality Sealants, Trims, Seals, and Foam Tape making it the single source leader for superior sealing solutions to the O.E.M. market. The sealant products are available in cartridges, sausages, and drums.

LaVanture Products is a major distributor of many hardware products from leading manufacturers all across the country and world. Most products are in stock and available for immediate shipment.

We also carry a wide range of products to seal your applications. LaVanture has a full line of "in stock" EPDM extrusions and a full line of caulks and sealants to handle any application. Our foam tapes are automotive grade and we stock over 200 sizes and styles at all times.

Our warehouse has over 750 different parts designed by us for the RV and Marine OEM markets. We use more than five extruders and injection molders to manufacture our parts. The parts are made to our specifications and we stand behind what we sell.

LaVanture has you covered from start to finish no matter what you're manufacturing. Give us a call today or visit our website to view our complete line of product catalogs.
